TWO-DAY NATIONAL WORKSHOP

LEADERSHIP AND QUALITY IN CONTEMPORARY HIGHER EDUCATION: ROLE OF IQAC

About the Programme

The Internal Quality Assurance Cell (IQAC) plays a pivotal role in strengthening the academic and administrative performance of Higher Education Institutions (HEIs). In the context of NAAC accreditation, NEP 2020 reforms, Outcome-Based Education (OBE) and the implementation of the National Credit Framework (NCrF), IQAC has emerged as a central mechanism for institutional quality sustenance and enhancement. This workshop aims to provide a comprehensive understanding of the evolving role of IQAC in curriculum design, academic audits and developmental leadership. Through interactive sessions, the programme will engage leaders and faculty of HEIs in discussions on best practices, documentation, benchmarking and related topics of quality enhancement. The workshop will also underscore the need for capacity building and leadership among higher education teaching faculty that can meet the needs of the evolving scenario of higher education in India.

Objectives of the Workshop

- To create awareness among faculty about quality issues in higher education and internal quality assurance mechanisms for institutional excellence.
- To inculcate leadership values in faculty of higher education institutions and promote a culture of quality, accountability and evidence-based decision-making.
- To integrate Outcome-Based Education and NEP 2020 reforms into curriculum design and master tools for academic audits to maintain national accreditation standards.
- Operationalize the National Credit Framework and Academic Bank of Credits to facilitate seamless student credit mobility.
- To foster a collaborative ecosystem of academic leaders to promote mutual exchange of ideas and a sustainable culture of accountability and quality.

About the Organisers

Jadavpur University:

Jadavpur University is a State University founded on 24 December 1955 under the Jadavpur University Act (West Bengal Act XXXIII of 1955). Originating in the anti-colonial National Council of Education, Bengal (1906) to “achieve self-reliance through the empowerment of youth by imparting the best of global knowledge, technical education, and awareness of social, cultural, political, economic realities of the state, the nation and the world” the university has consistently set new frontiers in science, technology, humanities and social science innovation and outreach; it has provided research and policy support for state and national governments and international bodies, and conventional and non-conventional technological development for society at large, including both established industries and disadvantaged groups, through innovation and adaptation.

Loreto College:

Founded in 1912 by the Sisters of the Institute of the Blessed Virgin Mary, Loreto College, Calcutta, has established itself as a pioneer in women’s education in India. Originally an extension of Loreto House, the college holds the distinction of being the first in West Bengal to be assessed by NAAC, consistently maintaining high ratings and being recognized by the UGC as a "College with Potential for Excellence." Today, it offers a diverse academic portfolio, including four-year B.A. and B.Sc. degrees, multi-disciplinary courses, and postgraduate programs in English and Psychology. By integrating Value Education and various certificate courses into its curriculum, the institution continues its long-standing commitment to the all-around development and academic empowerment of its students.

Please note:

- **No TA and accomodation will be provided to participants**
- **Registration fee covers Kit and Lunch (both the days)**
